

Carpal Tunnel SYNDROME

Scenic Health Alliance may help to
RELIEVE your symptoms of
Carpal Tunnel Syndrome!

- ➡ Have you lost the strength to twist open a large jar?
- ➡ Do you have tingling or numbness in your hand, wrist, or fingers?
- ➡ Do you wake up with your arms or hands "asleep"?
- ➡ Or, does your wrist just plain hurt?

If you have some or all of these symptoms, you may have CARPAL TUNNEL SYNDROME. The chiropractic physicians at Scenic Health Alliance will perform a thorough exam to accurately determine if your symptoms can be diagnosed as Carpal Tunnel Syndrome or if there is a different cause of the problem, such as a neck misalignment, history of an auto injury, or other spinal conditions. Scenic Health Alliance offers the following treatments for Carpal Tunnel Syndrome:

- ➡ Extremity Manipulations
- ➡ Physical Therapy
- ➡ Massage Therapy
- ➡ Cold Laser Therapy

Chiropractic treatments have been shown to improve perceived comfort and function, nerve conduction and finger sensation associated with Carpal Tunnel Syndrome. (J Manipulative Physiol Ther. 1998 Jun;21(5):317-26.)
