## PAIN & SUFFERING

Scenic Health Alliance may help to RELIEVE your recurring headaches.

- ⇒ How long have you been suffering from headaches? Months? Years?
- ⇒ Have you seen other physicians & tried numerous medications that have given you only temporary relief?

It is time to determine the cause of your headaches, not just cover them up!

There is a strong chance that your headaches originate in your neck. **Headaches are not caused by lack of aspirin.** Call to schedule a FREE\* consultation with an experienced doctor at Scenic Health Alliance, who may be able to determine the cause of your headaches.

Chiropractic patients reported an immediate improvement for headaches, significantly fewer side effects and longer lasting relief of their headaches when compared to commonly prescribed medication. (The Duke Study, 2001.)
